ancillary the actual impact of such development requires certain time frame for effective availability of such indigenously produced ancillary equipments. The AIEI has stressed the need for liberal import of ancillary equipments till such developments could take place. The matter has already been taken up with DGTD for allowing import of higher percentage of equipment compared to the existing 20 per cent in the light of delayed delivery of certain equipment and machinery from indigenous sources. The Empowered Committee on Trawlers has already fixed the limit for disposal of applications of trawler builders for the loan/subsidy cases and has desired that this may be treated as targets and all the processing agencies should try to adhere to this limit.

Decline in enrolment at Graduate level in specialized faculties

1757. SHRI DINKARRAO GOVINDRAO PATIL: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that percentage of enrolment at graduate level in specialized faculties like science, engineering technology, medicine, agriculture, veterinary science, law and education has registered a decline during the last two years;

(b) if so, what are the reasons therefor; and

(c) what steps Government propose to take to arrest this trend?

THE MINISTER OF STATE IN THE DEPARTMENTS OF EDUCATION AND CULTURE (SMT. SUSHILA ROHATGI): (a) and (b) Enrolment at the graduate level in the faculties of Engineering/Technology, and Law registered a marginal increase in percentage in 1983-84 compared to 1982-83. The percentage of enrolment in the faculties of Science and Veterinary Science was same in both the years. There was a marginal decrease in the percentage of enrolment in Medicine, Agriculture and Education in 1983-84. These are only marginal fluctuations in enrolment as between different faculties, which do not necessarily indicate any trend.

(c) Does not arise.
